Dr. Sascha Moebius  
Department of History  
College of Arts & Sciences

Dear Dr. Moebius:

Consistent with the provisions of Section 1.1.B.3 of the College of Arts and Sciences Personnel Policy, I have examined your promotion dossier. I concur with Professor Blake Beattie that your record warrants your promotion to the rank of Senior Lecturer II. Your dossier presents evidence of teaching excellence, including strong student evaluations, and extensive experience in public history and scholarly publication. The college is fortunate to have such well-credentialed and effective instructors.

Your promotion will take effect as of the Fall 2024 semester.

Many thanks for your contributions to the department and the college. I look forward to your continuing success.

Sincerely,

Senior Associate Dean for Faculty Affairs
